

COMMEMORATIVE WALL OF HANDS

To be part of the commemorative wall, at the front entrance of the school, and share in the school's history you are invited to purchase a hand for your child / children / family. This wall was erected for our 125th birthday celebrations in 2004.

The hands are laser cut stainless steel and engraved with the period of time you and your family have been involved with Unley Primary School. The hands are permanently attached to the wall and help make up a wave of hands to stretch from one side of the wall to the other. It is hoped this sea of hands will stretch back several generations and link the past with the present and future.

If you have any relatives, friends or neighbours who attended Unley Primary School in the past please invite them to purchase a hand also. Hands are \$65 each, please inspect the hands already on the wall to decide how you would like your hand(s) inscribed.
