Dear Parents,

We have had a great summer of Tennis at Unley Primary School. My coaches and I have really enjoyed both the Sporting School Programme and our after school peeWee and hot shots. The children at Unley Primary are a credit to the parents and must play a lot of sport judging by the amount that are very well co-ordinated.

I am looking forward to continuing my coaching programmes at the school and hope to have an opportunity again to run the Sporting School Programme.

In addition to the blog that is currently on the school webpage advertising Term 2 Tennis we have enquiries about Tennis in the School Holidays.

There are a number of children keen to play and learn so I have set aside some time to run a Clinic at Scammell Reserve Fisher Street.
